BANQUET

Hello

We would like to invite everyone to a banquet that will take place after the O and H finals. We have hired a professional catering company that specialises in outdoor events. Especially for our Guests, there will be 250m² large tents.

Below you will find photos of some of other events organised by the same company.

Every attendee will be able to enjoy several hot meals from bain-maries, sandwiches, cold appetizer buffet, pastries, and cold drinks. There will also be a barbecue menu with several choices of meat and 4 draught beers for every adult. We will have music for dancing playing all the time. The banquet is planned to last until 12 o'clock midnight and we promise to leave no Guest neither hungry nor thirsty.
